

Paying for school Dinners – Parents Guide

School dinners are paid through ParentMail. The ParentMail app can be downloaded for free from your phones app store.

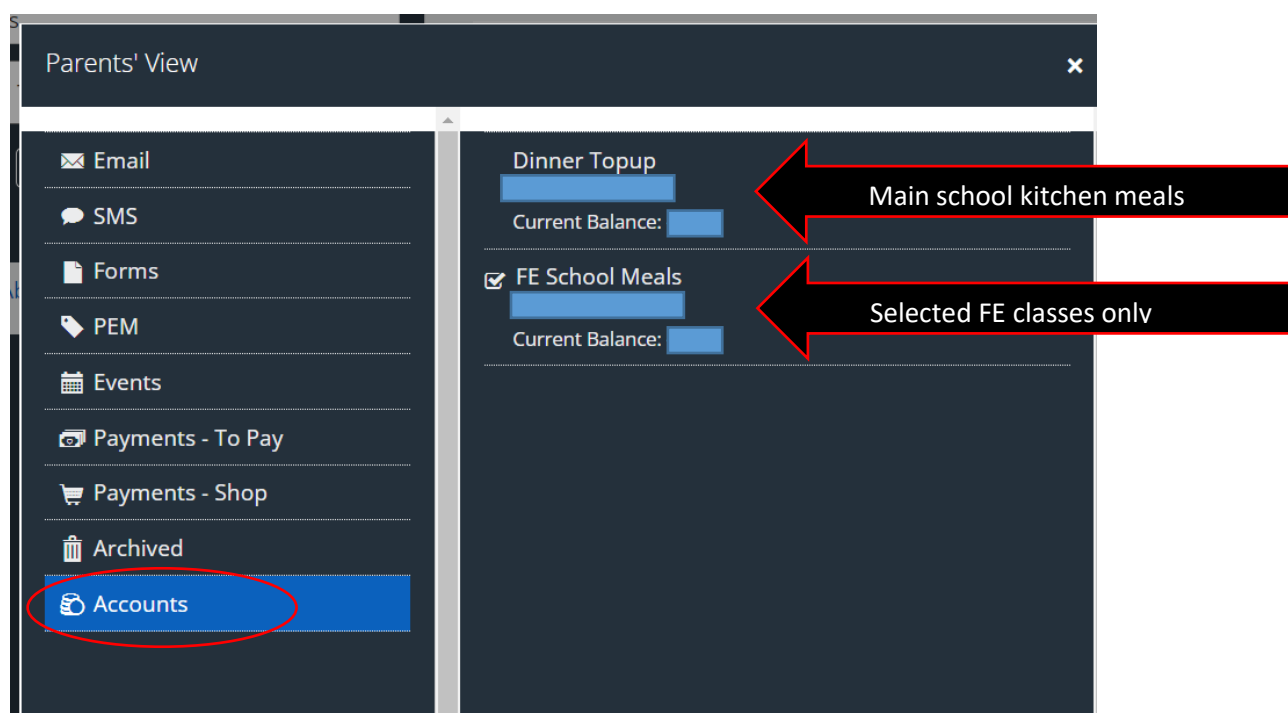

[Google Store - Parentmail APP](#)

[Apple Store - Parentmail APP](#)

Once you have created an account and logged in, you need to click on **Accounts**. This will display the dinner registers that have been allocated to your child.

Dinner Top Up – relates to our main school kitchen. Parents should use this option to pay for their child's school meals.

FE School meals – relates to the college classes that buy and make their own school meals. Your class teacher will inform you about this, if it applies to your child. If you have not been notified, then please ignore this part.

If you have any questions about this, then please contact the school office on 01582 572880 or schooloffice@woodlands.luton.sch.uk
