Green Flag Award, 2025

Woodlands Secondary School

Award Level: Distinction

Focus topics:

Your greatest overall success:

Woodlands Secondary School Eco-Committee's most notable accomplishments include the development of a sensory garden, providing a calming outdoor space for all students, and successful fundraising for the local food bank, fostering a sense of social responsibility while strengthening community bonds. Unveiling the sensory house at your sustainability festival, Woodfest, further demonstrates your commitment to inclusivity and environmental stewardship. Congratulations!

We also loved...

- Your curriculum links are fantastic! The PD department's participation in a virtual sensory sports competition tailored for PMLD learners demonstrates a strong commitment to inclusivity and adaptability. It is evident your school empowers students with diverse abilities to partake in individualized and meaningful athletic experiences, highlighting the importance of promoting equal opportunities in physical education and fostering a supportive environment for all.
- Your school has effectively utilized various communication platforms to engage the wider community in your sustainability initiatives. By sharing successes on social media, updating the school website with visuals, and presenting your projects through assemblies and events like Woodfest, you've fostered transparency and collaboration. These efforts showcase your institution's dedication to creating a culture of sustainability and involving stakeholders in your ongoing journey towards a greener future.
- We liked how the Eco-Code you is clear and easy to remember! "Reduce, Reuse, Recycle" are very important to sustainability and we hope it provides much encouragement to next year's Eco-Committee! It looks brilliant displayed on your Eco-Board.

Next year, why not try...

Despite some challenges, your school remains dedicated to improving its sustainability practices. Although the electrical recycling initiative did not gain as much momentum as anticipated, you recognize the need to prioritize and enhance the program in the coming year, ensuring a greater impact on waste reduction. Keep going!
