

Quality of Education

QE1 – To ensure that **Communication advice and provision is fully implemented, in line with the school's profiling document** so that we maximise the opportunities for students to practise and develop their communication skills.

QE2 – To ensure that teachers are equipped with the appropriate skills to **provide regular, consistent and high quality phonics teaching**

QE3 – To equip teachers so they are confident and able to **safely teach the broad and balanced PE Schemes of Work**

Behaviour and Attitudes

BA1 – To **fully implement effective Behaviour training** to support staff in each department to be able to manage/ support students they are working with.

Personal Development

Leadership and Management

LM1 – To **safely, effectively and efficiently manage Education Out of School (EOOS) packages** aiming to ensure that they are financially viable and meeting student needs.

LM2 – To **increase/improve governor attendance** and to **facilitate/ empower governors to carry out visits/ reports** linked to SIP and Department Development plans.

LM3 – To **plan for sustainable expansion of the staff team** for when Kestrel Way comes online.
